

Bornes ELECTRA : de la réservation ...

The screenshot shows the app interface for reserving a charging spot. It includes a map, a reservation time of 09:10, and a destination: Nanterre - Hôtel Campanile. A yellow box highlights the 'Je suis arrivé Place 01' button. To the right, a photo of the charging station is labeled 'Affichage du statut' (Status display). The status display shows a circular progress indicator at 41% and technical details: PUISSANCE 49,9 kW, ÉNERGIE 0,9 kWh, and PRIX 0,30 €. It also shows an 'Objectif de charge' (Charging goal) of 80% and an 'Arrêter la recharge' (Stop charging) button.

1

... jusqu'à la fin de recharge

The left side shows two photos of the teal ELECTRA charging station. The right side shows the app's payment confirmation screen. It displays a green checkmark, a 'Voir facture' (View invoice) button, and a total amount of 1,19 €. The receipt details include: Recharge terminée (Charging finished), Montant TTC (inclus remise éventuelle), 3,4 kWh, Date: vendredi 28 avril 2023 à 09h22, Durée: 5 minutes 35 secondes, Véhicule: Renault Megane, and Station: Nanterre - Hôtel Campanile. A 'Terminer' (End) button is at the bottom.
